The Vice Chairman of Global Institutes, Dr Akashdeep Singh has been selected for World Renowned Harvard Business School Executive Education Programme. The Programme Titled “Governing for Non Profit Excellence”, has been especially framed by eminent Professors of Harvard Business School, Boston at USA for the Top Management Executives of elite class organizations for moving towards Total Quality Management.

To ensure a rich learning experience for all participants, admission to Harvard Business School, Executive Education program is very selective and based on professional achievement and organizational responsibility. For each program, HBS select a cross-section of high-potential leaders from around the globe who have different backgrounds and experiences. This diversity enables participants to enhance their management effectiveness by leveraging the experience of their peers and acquiring a new level of cultural sensitivity.

The Programme is centered on the hallmark Harvard Business School case study method, and is structured to ensure active participation in leadership training. The faculties who lead these classes are often the case authors who provide latest updates from insider’s perspective. The renowned faculty draws upon real-world insights and expertise to engage the participants in activities that help and expand leadership abilities.

Established in 1636, Harvard University, a recognized World Leader Institution, is devoted to excellence in teaching, learning, and research, and to developing leaders who make difference globally and help in the advancement of civilization. It is a utopia for students who are excited to investigate the significant issues of the new millennium it offers an unparalleled student experience and a challenging learning environment.

Harvard University has the distinction of having produced 47 Nobel Laureates, educated 32 heads of state and 48 Pulitzer Prize winners.

Under the dynamic leadership of Dr Akashdeep Singh, Global Institutes, established in 2008, has been taking quantum leaps in quality education. It has excelled in academics, winning 3 Gold Medals, 21 University Top Positions and more than 120 Merit Positions.

Congratulating Dr Akashdeep Singh on his this remarkable achievement, Director Dr Arvind Bhardwaj observed that this is indeed a very rare distinction for Global Institutes which highlights the Vice Chairman’s zeal for creating quality quotient in his Institute. He further stressed that the experience of HBS will take Global Institutes to further heights in the coming future and the real beneficiaries from it will be its major stakeholders in the education programme viz the students, the faculty and the society.

Dr Arvind Bhardwaj
Director
