

## **INDUCTION PROGRAMME HELD FOR NEW ADMISSION STUDENTS**

The New Admission students of B.Sc. (HMCT, Agriculture, ATHM), B.Com (P) , MBA, MCA, MCA (LEET), M. Tech ,BCA, BCA (LEET), B. Tech & B. Tech LEET, Diploma classes of Global Institutes, Amritsar received a warm reception from the institute faculty and administration through their induction program held over two days on Aug 4 and Aug 5, 2015. The aim of the induction programme was to familiarize the new students and their parents with the culture and ethos of the Institute. After the registration process of the new students, they were greeted by an address from Dr. Maninder Singh, Director of the Institutes. He gave them valuable tips on how to prepare themselves in order to face the challenges of life and to create a place for themselves in this highly competitive globalised world.

After a brief introduction of the faculty of the institute, the Institutes' video was shown to the parents and the students that highlighted the Institutes' achievements, various facilities available in the campus and options and opportunities available to these students after graduation and post graduation. The students were also informed about the security norms as well as the Govt. of India directive on "Prevention and Prohibition of Ragging". At the end of the programme the students and the parents were taken round the campus and they were shown the different laboratories, workshops and the sports facilities available in the campus.
