

Global Institutes Signed MOU with University of North Alabama, USA

Global Institutes, Amritsar and University of North Alabama, USA inked an International Memorandum of Agreement for educational collaboration between the two institutions. Now the Global students can choose from three different undergraduate/ graduate programs to study at the University of North Alabama, USA, which is one of the oldest Universities in the US. The University offers over 100 programs in different streams. The first of these programs is MBA under Master Degree Program. Students with BBA degree can join this course. The other two programs are “Global Studies Certificate Program” and “Summer Study Abroad Program”. The two signatories of this MOU are Dr. Chunshang Zang of University of North Alabama and Dr. Akashdeep Singh, Vice Chairman Global Institutes. The memorandum is valid for 5 years.

An important clause of this MOU is that both University of North Alabama and Global Institutes, Amritsar agree to explore other international cooperation initiatives including joint conferences and workshops of mutual interest to further enhance educational excellence of opportunities at both the institutions of higher education
