

## **529 Students Conferred with Degrees at Global Institutes' Convocation**

Students of MBA, MTech, MCA and BTech. who passed out in the year 2014 batch from Global Institutes were conferred Degrees at the Second Annual Convocation held in the Global Institutes on 14<sup>th</sup> July 2015.

The Chief Guest Sh. Arun Jaitley Ji, Hon'ble Finance Minister, Government of India, was given a traditional phulkari welcome by the Management, Staff and Students of Global Institutes. Chairman of Global Institutes, Dr. B.S. Chandi and Vice Chairman Dr. Akashdeep Singh Chandi welcomed him on his arrival in the Campus.

In his Convocation address, Chief Guest Sh. Arun Jaitley Ji congratulated all the Degree Recipients and said that he was sure that the passing out students would go equipped with values, ethics and determination to work hard and meet the challenges of this competitive world for ensuring the bright future of our country. He said that he was delighted to participate in the Second Convocation of Global Institutes. He gave his greetings to the Management, Faculty and Staff members responsible for shaping the young minds who would be contributing towards the development of the Nation.

The Finance Minister dwelled on the implications of the new renaissance taking shape in India during the last one year. The new Government is opening up new economic and developmental frontiers which are meant to bring about a sea change at the grass root level so that Mother India can rid herself of the stigma of a backward nation forever. The nation is marching ahead in a new mood of positivity and the youth of India have to play a stellar role in it. We have the largest highly qualified young brigade in the world. The new policies are going to provide ample opportunities of respectable employment and entrepreneurship to a great many of them. So, he urged upon the youth of India to brace themselves for the new challenges and new opportunities in new India.

He further said that he was confident that the Engineers and Managers passing out of the Global Institutes would make technological innovations that would have relevance in the economic development of the Nation.

The Guest of Honour, Dr. Balkar Singh, Director Colleges, Punjab Technical University congratulated the Degree Recipients. He expressed hope that all the passing out students have an important responsibility on their shoulders to build the Nation. He further said that the way our country is evolving, the opportunities for the capable Engineers and Managers are ample and sky is the limit for them.

In all, 359 students of B.Tech., 60 of MCA and 92 of MBA received their Degrees during the Convocation. 7 students who topped in their respective branches were awarded with Institutes' Gold Medals. These included:

The 2 University Gold Medalists of the session 2014 were also honoured by the hon'ble Chief Guest. Their names are Preeti Kumari (B.Tech.-IT) and Annie Ahuja (MCA).
