

Workshop on MATLAB

Department of Computer Science and Engineering conducted a workshop on “MATLAB” on 13th October 2015 by **Mr. Jasjot Singh Dhaliwal, Project Manager from Solitaire Infosys, Chandigarh**. This workshop was meant for B.Tech and M.Tech final year students. The **Objectives** of the workshop were:

- To know the advantages of MATLAB Simulator
- How to use Mathematical functions for solving linear algebra, statistics, Fourier analysis using MATLAB.
- How to represent 3-D images using image Processing
- How to make applications with custom graphical interfaces.
