

## **PRESS NOTE**

### **Internship drive & Guest lecture by Mr. K K Sharma Head – Operations, Videocon at Global Institutes**

Sh. K.K. Sharma gave an illuminating talk to the students of Electronics and Communication Engg. Department at Global Institutes today.

He was lustily cheered when he announced that he was highly impressed with the infrastructural facilities of Institutes and he assured that he would like to provide internship to 50 students of the institute at his company who can later on be selected for jobs in different departments.

The widely travelled and highly experienced learned speaker touched many important aspects concerning their curriculum, its application in the industry and the requirements expectation of the companies which hire them for jobs. Addressing the girl students, he said that he was happy to see nearly 50% of them doing this course. He assured that that industry has no gender bias. Rather industry environment very friendly towards female employees and provide them all the facilities.

The second session of the lecture was developed to technical aspects by the illustrious speaker which generated immense interest asked myriads of questions to clarify their doubts on some ambiguous issues. Earlier the distinguished Guest was welcomed by Vice-Chairman Dr. Akashdeep Singh and Director Dr. Arvind

Bhardwaj.
