

MEMBER PARLIAMENT MS. POONAM MAHAJAN VISITS GLOBAL INSTITUTES

Ms. Poonam Mahajan, Member Lok Sabha addressed the students of Global Institutes today. In her scintillating address, she gave a clarion call to the youth of India to gird of their loins to work hard to make India, the leading nation of the world. He advised the young men & women to give up procrastination & focus on their dreams to make India a prosperous nation. India has the largest number of youth in the world and their energy must be channelized in a positive way so that they all can contribute to the wealth of the Indian nation. Elucidating her arguments from her own experience in politics and social life, she emphasized that they should stop looking to foreign countries as safe & civilized havens but use all their might to turn India as the top nation in the world. The key to the bright future of India lies in the hands of the youth of India and its motivation must come from within. She wanted them to follow the examples of Hon'ble Prime Minister Sh. Narendra Modi, who remains busy from early morning till late into night in state, national & international activities, leading the nation in the direction of the advanced nations with a difference, a nation that is ethical in its work and culture at every level. What India needs is a wholesome development so that it retains its old glory in modern times.

The most interesting part of her visit was an open interactive session with the students who asked a number penetrating questions to the Guest Speaker who answered each question patiently to the satisfaction of each student.

Earlier, Ms. Poonam Mahajan was welcomed at the Global Institutes by Chairman Dr. B.S Chandi and Dr. Akashdeep Singh. The Vice Chairman, in his welcome speech, briefly described the educational achievements of Global Institutes since its inception. He hoped that her lecture & ideas would inspire the students & Global Institutes.
